		29.06.2018	<p style="text-align: center;"><u>ORDER</u></p> <p>1.0 West Bengal Power Development Corporation Limited (in short 'WBPDC'), West Bengal State Electricity Distribution Company Limited.(in short 'WBSEDCL') and West Bengal State Electricity Transmission Company Limited.(in short 'WBSETCL') have sought further extension of time upto 31.10.2018 for submission of the Multi Year Tariff (MYT) petitions for the sixth control period on the grounds that a financial restructuring of the power utilities in West Bengal is under active consideration of the Government of West Bengal and the proposed scheme would have substantial effect on the ARR as well as tariff determination of the utilities for the ensuing financial years. Finalization of the said financial restructuring scheme is expected to take some more time as stated in their respective applications dated 27.06.2018, 28.06.2018 and 28.06.2018 respectively.</p> <p>2.0 After waiving all the procedural formalities and giving due consideration to the submissions of WBPDC, WBSEDCL and WBSETCL as contained in their applications Commission agrees that there is merit in the prayer for time extension for filing MYT petition for the sixth control period (FY 2018-2019 and FY 2019-2020) This consideration will however be applicable to all the tariff petitioners who may be either a licensee or a generating company.</p>

Order of the West Bengal Electricity Regulatory Commission in the matter of extension of time for filing Multi Year Tariff petition for the sixth control period
