

West Bengal Electricity Regulatory Commission

**Corrigendum to the Order dated 08.10.2021 of the Commission
in respect of the West Bengal Power Development Corporation Limited,
for the years 2020 – 2021, 2021 – 2022 and 2022 – 2023
in Case No TP-95/20-21**

Attention of the Commission has been drawn to the apparent contradiction between paragraph 3.1.6 and paragraph 6.4 of the tariff order dated 08.10.2021 passed by the Commission in Case No: TP-95/ 20 - 21. On scrutiny, it is found that an inadvertent typographical error has crept in paragraph 6.4 of the tariff order issued on 08.10.2021, wherein the word 'includes' has been written in place of the word 'excludes'.

The Commission is of the considered opinion that the said typographical error needs to be corrected and necessary corrigendum be issued. Accordingly, the Commission now issues the following corrigendum: -

Page No and Paragraph	Present description	Corrected description
Paragraph 6.4 of Page 87	The tariff admitted for 2020 – 21 applicable for the period from 1 st April, 2020 to 31 March 2021 <u>includes</u> the Monthly Fuel Cost Adjustment (MFCA), if any, realized by WBPDCCL during the period.
