Sub: Applications for Fuel and Power Purchase Cost Adjustment (FPPCA) and Annual Performance Review (APR) for the year 2013-14.

Ref: Your letters No. COM/TARIFF/1-805 dated 20.03.2015 and COM/TARIFF/1-1081 dated 09.04.2015 in reply to our letter No. WBERC/FPPCA-72/14-15/1124 dated 11th March, 2015.

Sir,

With reference to above, I am directed to request you to submit further clarifications on the following issues arisen out of your above referred letter in respect of your applications for FPPCA and APR submitted by you for the year 2013 – 2014.

1. In reply to the query of the Commission in paragraph 3 of its letter dated 11th March, 2015 you have provided revenue income through MVCA only. You are again requested to submit the revenue earnings through tariff income in 2013 – 2014 against tariff order of 2013 – 2014.
 2. In reply to the query of the Commission in paragraph 4 of its letter dated 11th March, 2015 you have submitted an Annexure which does not provide the
-

required certificate of distribution line length from statutory auditors based on fixed asset register. You are, therefore, again requested to provide the required certificate of distribution line length from statutory auditors based on fixed asset register.

3. In connection with the query of the Commission in paragraph 6 of its letter dated 11th March, 2015 you have not submitted any certificate from your statutory auditors to the effect that the amount claimed by you in APR has been deposited to the concerned trustee. Please submit this certificate immediately.

Normally the clarifications should be stated in APR petition. At the beginning these are looked into. The APR petition has been under the process of examination for that reason and still it is going on. In case of absence of any such matter in due course it may be required to ask DPL to submit the same next.

You are requested to submit the above documents, papers, forms, clarifications, as are applicable, immediately.

I am further directed to inform you that what has been mentioned in letter no. WBERC/FPPCA-72/14-15/1124 dated 11th March, 2015 of the Commission regarding the fresh gist to be submitted for approval of the Commission will also be applicable in case of above mentioned queries.

Yours faithfully,

(K. P. Bhar)
Secretary
