Secretary

To:  
The Chairman  
Damodar Valley Corporation  
DVC Towers, VIP Road  
Kolkata – 700 054

Sir,

In the Tariff Order dated 25<sup>th</sup> May, 2015 for the year 2014-15 the Commission has given directives to DVC to consider for arranging purchase of power from different sources (including from Exchanges) other than the existing sources having supply pattern and cost involvement/economics more favorable for the consumers of DVC and to reduce its dependency on costlier thermal sources in order to contain the rise in retail price of the consumers in future in a better way.

I am directed to communicate you that every day by 12.30 pm DVC shall upload the provisional final drawal schedule agency wise along with the rate of purchase of power from the respective agencies, in their website.

Yours faithfully,

(K. P. Bhar)  
Secretary
